Dear Friends in Christ,

Cordial greetings from Salesian Province of Chennai – India.

May the Peace and Joy of Christ be with you and keep you in good health and cheer.

With gratitude I write these few lines with sincere appreciation for your goodness and generosity for your support to our province in reaching out to the poor people who were infected with Covid-19 during the second wave of the pandemic.

The second wave has been very virulent and fatality was very high in our city of Chennai. During that time, our Salesian Province offered our service to the people with the collaboration of the State Government and made arrangements for the step-down hospital services to the infected. It was very timely and lots of people benefitted by this service and saved themselves from succumbing to the deadly disease.

Through the coordination of Fr. Richard, you have extended your financial support to meet some of the crucial expenditure of this medical intervention. The attached report will give you some idea as to the service rendered to the poor. On behalf of our provincial Rev. Fr. Jose and other team members of the province, I sincerely thank you for your great service at the time of a big need. May the good Lord bless you abundantly for your generosity and reward you hundredfold with good health and all the graces for your family.

God bless you,

With kind regards,

Edwin Vasanthan
